

Sackville News

17th February 2017

Dear Parents

Throughout the weeks of January and February Sackville has been beating the winter blues with many key celebratory and developmental events.

As part of our two **INSET days** this month, on Thursday 2nd February Sackville teachers had the opportunity to visit another school of their choice to share tips and great ideas on our 'Big Day Out'. Over 90 staff visited more than 40 schools across the southeast and then fed back to each other at Sackville on the second INSET day (Friday 3rd February). This experience was rewarding, enlightening, reassuring and, above all, incredibly helpful towards **planning our way forward** as a school. After all, good schools can never stand still; they must embrace change, be innovative and at the same time be true to their core values.

Many thanks to all our colleagues in the following **schools and colleges** for hosting us on such an informative day: Beacon School, Crowborough; Bennett Memorial Diocesan School, Tunbridge Wells; Burgess Hill Alternative Provision College; Chailey School; Collyers Sixth Form College, Horsham; Davison High School, Worthing; Downlands Community College, Hassocks; Estcots

Primary School; The Hayesbrook School, Tonbridge; Hazelwick School, Crawley; Heathfield Community College; Holmbush Primary Academy, Shoreham; Holy Trinity CofE School, Crawley; Hove Park School; Hurstpierpoint College; Ifield Community College, Crawley; Lingfield Notre Dame; Mayfield School for Girls; Michael Hall School, Forest Row; Millais School, Horsham; Newstead Wood Grammar School; North Heath Primary, Horsham; Oakwood School, Horley; Oathall Community College, Haywards Heath; Oxted School; Patcham High School; Peacehaven Community School; Portslade Aldridge Academy; Priory School, Lewes; Ratton School, Eastbourne; Skinners Kent Academy, Tunbridge Wells; St Bede's, Redhill; St Paul's Catholic College, Burgess Hill; St Wilfrid's School, Crawley; Steyning

Grammar School; The Warwick School, Redhill; The Weald School, Billingshurst; Thomas Bennett Community College, Crawley; Tunbridge Wells Boys Grammar School; Uckfield Community College; Warden Park Secondary Academy, Haywards Heath; Warlingham School and Worth School.

Our **annual school show** is always a special time when the community is brought together for four nights of enthusiastic and talented performance that cannot fail to leave you feeling good! As I write, the performances have just started and this year's production, **Fame**, is no exception. The photos here give a flavour of it all, but those who were lucky enough to have tickets and come along will, I am sure, agree that the photos cannot capture the sheer vibrancy and joy of these evenings. Once again, I feel enormously proud and privileged to be headteacher at Sackville. As the lyrics say: **"Bring on tomorrow, let it shine!"**

The year 11 rugby team

The year 10 sports leaders

The year 11 hockey team

Sackville students have been **achieving well on the sporting front** recently as the forthcoming results will show.

It is always great to celebrate the dedication of our youngsters and over the past two weeks I have shared three **'doughnut breaktimes'** with our year 11 rugby team, year 11 hockey team and our sports leaders. The two teams - two of so many in the school - have shown wonderful dedication through the years and have now played their final fixtures. Their commitment and team spirit have been second to none. Our **sports leaders** are a fine group who give generously of their time; they have shown great maturity, decisiveness and care in helping to organise and run events and lessons with local primary schools on numerous occasions.

It is important to celebrate achievement in all its forms and the special **year 8 breakfast** this week for students with exceptionally strong reports this term was a very welcome occasion. Well done to these students! Indeed, it was also good to see and talk with so many parents at the recent **year 8 consultation evening** and we look forward next month to the evening focused on **GCSE options choices**. All year 8 students have now received their key stage 4 prospectus and options form so that families can spend time considering this material together before final decisions are made.

Whilst year 8 students are choosing their GCSE options, year 11 students are taking their **second round of Pre Public (mock) Exams after half term**. Performances will be analysed carefully and parents invited in for discussion at the second parents' evening of the academic year with subject teachers, in April. **Revision classes** are in full swing and are well attended; we are committed to giving the students all the help we can.

Our **year 12 geographers** undertook a **field trip to London's Docklands** this month and bumped into **Tom Daley** at the Olympic Park! Tom couldn't have been more pleasant, even filling in and signing one of their questionnaires.

The picture taken below was, of course, an additional highlight. Thank you Tom; you are very welcome to visit Sackville at any time!

Our excellent year 8s

Our community links are always a priority for us and parents will be aware that the **subway under the A22** was transformed with great art work some time ago now. Recently, a band of enthusiastic volunteers gave up their Sunday to give it all a freshen up, which is

wonderful. Many thanks to Mr Andrews, Mrs Buckley, Annie Burrows, Jackie Watkins, Helen Stone, Sheri Gee, Susan Dodds and Harriet Brigdale for doing this.

A well-earned half term break is now upon us and I hope families have a good week. Many thanks to those who have had to negotiate difficult child care arrangements with the different half term weeks across county borders; it cannot have been easy.

Finally I would like to wish our very best to two of our learning support assistants leaving us this half term, **Julia Cooper** and **Estelle Gaines**. They have both given fine service to the students of the school.

With best wishes,

Julian Grant
Headteacher

Safer Internet Day

Mr Lea writes his regular e-safety column

Throughout all of the week beginning 6th February 2017 Mr Lea led assemblies based on **Safer Internet Day** which is supported by the Safer Internet Centre. The aim of these sessions is to offer the opportunity to highlight positive uses of technology and to explore the role we all play in helping to create a better and safer online community.

It calls upon young people, parents, carers, teachers, social workers, law enforcement agencies, companies and policymakers to join together in helping to create a better internet. The same assembly was delivered in schools and colleges across the country with a focus this year on the power of image through the use of 'selfies'. Images and videos shared online contain a lot of information that can affect young people in a number of ways. Sharing photos online can be an extremely positive and empowering experience but it is important that they are aware of the potential risks that come with sharing images online, particularly images of themselves such as selfies.

Some of the key things **young people should consider when taking selfies** are:

- Think before you post
- Think about how your photos affect others
- Build a positive online reputation
- Look at your privacy settings

Images can be extremely powerful. They can tell a story, send a message, provoke emotion or create a memory. Every time we post an image online we need to think about its power, what it says and how it will make people feel ... use them wisely.

SECOND HAND UNIFORM

The second hand uniform shop is now in place – all items £1 each.....

We have shirts, skirts, trousers and PE kits all waiting for a new home!

Please visit reception to ask to see the stock or ask your child to visit at lunchtimes.

We ask that you are patient if reception is busy at the time you visit.

Is your child now too big for the shirt you bought 6 weeks ago? Please give it a new home at the second hand shop, all clothes donations to reception gratefully received.

Janina Stromfield, jstromfield@sackvilleschool.org.uk

Our links with Germany

Mrs Valentine writes:-

Year 12 Business Studies and Economics visit to Hamburg: 14th-18th January 2017

For the **twelfth consecutive year**, we took our annual study visit to Hamburg and Berlin. In freezing temperatures, we arrived in Hamburg and enjoyed a wide cross section of educational events. A highlight came with our day out to **Berlin**, where we enjoyed a superb tour of the German parliament and a guided tour of the East German (DDR) Museum, as well as a walk around the main sites of the city, including the Jewish Memorial site and the Brandenburger Gate. For those students hoping to gain an insight into the German economy and apprenticeship schemes, there was an opportunity to have guided tours of several leading

companies such as Airbus and Holsten brewery. Mr Grant and Mrs Valentine were invited to a

reception at our partner school, with a particular focus of observing the provision of education for child/adolescent migrants arriving in Hamburg. We saw how the apprenticeship scheme had been adapted to incorporate migrant students, new to Germany and the German language. It was impressive.

We will shortly be advertising our 2017-18 visit to Hamburg and Berlin for those entering the sixth form in September. Further details will be available from Mrs Valentine and Mr Whitehead.

Hamburg Work Experience Visit

Congratulations go to Kim Holden, Oliver Stocken, Elena Kent, Marielle Cailao and Peteris Sobolevs for putting themselves forward to complete a one week work experience in Hamburg, organised jointly by Sackville School and our partner college. Our students embraced the project wholeheartedly.

Elena and Kim had a successful placement at a bi-lingual kindergarten. Both these students have considerable experience in the UK of the kindergarten environment and were keen to compare and contrast their experiences. Elena, who wishes to become an early years teacher, will be able to use this experience to support her UCAS application. We are very proud of both students challenging themselves in this placement.

Ollie Stocken thought he was going to Germany to work for the week to gain experience at a large international shipping company. The company were extremely impressed by his attitude and ability to fit in and offered to take him as part of their delegation to view one of Europe's largest container ships based in Antwerp, Belgium. Ollie left the dockyards of Hamburg at 5am one morning to travel to Antwerp, kitted out in protective clothing and hard hat for a construction site. This placement has helped Ollie decide on his future career plans.

Marielle Cailao threw herself wholeheartedly into working in various departments of an internet marketing company. She was motivated and lively in her approach to her work in the marketing company and keen to learn their business strategies and make comparisons with similar research she has undertaken in her studies for Business Studies at Sackville. Peteris Sobolevs experienced life on an industrial site in Hamburg, working for the international carrier Kühne und Nagel in their offices. Peteris found the day demanding and hard work and became aware that perhaps the school day is quite easy in comparison to this. We will shortly be advertising for our year 12 students to take part in the work experience programme in January 2018 – we hope the students will be inspired by their peers in year 13.

Visit to Sackville by our Hamburg partner college: 29th January -3rd February 2017

Ten sixth form age students from our German partner college enjoyed a superb and enriching week of work experience in East Grinstead earlier this month. Our grateful thanks go to the institutions which hosted these students: Blackwell Primary School, Estcots Primary School, St Mary's Church of England Primary School, Copthorne Preparatory School and Chailey Heritage. We would also like to thank Worth School for hosting both a visit and tour of their school for our partner school teachers. Our German students learnt much about the English school system and life in an English school. The students at Chailey Heritage became fully involved in the day to day tasks of looking after severely disabled children. We were also pleased to be able to facilitate our German students visiting London for a day and Brighton for an afternoon and evening.

Their visit would not have been complete without the reception we hosted for them in the Sackville Centre. It was well attended by our Headteacher, senior staff, the students who had been on the recent Hamburg visit and the Chair of Governors. Very special thanks go to Ms Owens and Mrs Beall and sixth form student Millie Marsh in the Food tech department, who did us proud with truly delicious scones and cakes for the reception.

Mrs Rooke, Mrs Underdown and Mr Elsdon spent much of the week driving the students to and from placements and various other venues. It was interesting to note that our German students were very impressed by the key and invaluable role support staff play in our school and noted this as a comparison with their own college, where support staff do not exist in such a similar role.

We look forward to our 2017-18 round of German visits. Watch this space for the dates for application for a space on the work experience or study visit experience.

News from the LRC

Mrs Rose writes:-

It has been a busy few weeks in the LRC selling the tickets for "Fame". Tickets sales were very good and Friday sold out within a few days!

Now our attention turns to **World Book Day** which is celebrated this year on Thursday 2nd March. We have decided to do a **Book Swap** and hope that over the half term break students will sort through any books they no longer want and bring them into the LRC to swap. The books should, of course be in good condition and for school age children. Please see the poster at the end of Sackville News for more details. If books could be brought in from Monday 27th February that will give us a supply to start "swapping" on Thursday 2nd March, when, the swap starts in earnest. It will go on until 10th March. Any books left over will then be sold off at a small charge.

The LRC is to have a **Harry Potter themed World Book Day** as it is **twenty years since the release of the first novel**, Harry Potter and the Philosopher's stone on 26th June 1997, so our competition for students is based on this. There are twenty questions which will be on display in the LRC and tutors will show at tutor time after half term. Students will have until 16th March until the competition closes, so plenty of time to find the answers. There will be prizes for the first three correct entries drawn after the closing date. Here are a few questions to get you started:

1. What number Privet Drive do the Dursleys live at?
2. What is the name of Harry Potter's owl?
3. What does the spell, Expelliarmus do?

If you know these answers then make sure you enter. If you don't, you have all of half term to read all seven books!! Good luck.

There have been some **great book reviews** given in this month by students; this one by **Katie Murphy in year 7** is on one of my favourite books so I had to print it!

Title: Gone Author: Michael Grant.

This story is about a boy called Sam. Everyone over the age of 15 disappears and a barrier covers the Perdido Beach area where Sam lives. Sam and his friends have to stop the FAZE....

Katie says "To be honest, I thought this book would be boring. But it is the best book I've ever read and couldn't put it down. It's a real page turner. I have read the rest of the Gone series and will continue to read more by Michael Grant. 5 out of 5"

What a proud Year Leader!

Mrs Stromfield writes:-

Having looked at the **monitoring grades** that were sent out to year 8 parents I realised that no fewer than 11 had received an **A (outstanding) in attitude to learning for every single subject they were studying**. This was such an achievement we wanted to celebrate in style. Breakfast was served with juice and pain au chocolat or a croissant to the deserving students by me and Mr Grant who was very keen to give his congratulations for such an achievement. Well done once again to: Rejwana Ahmed, Lauren Bailey, Issy Carrick, Amalie Foster McPhedran, Eloise Grainger, Jyotsna Kalwar, Jacob Knock, Eve Lewis, Isabelle Millward, Joe Sheridan and Summer Thompson!

The students are pictured on page 2.

UFOs spotted over Sackville

Was this a UFO spotted over Sackville earlier this month? Or was it the work of year 7s in their creative writing unit? You decide!

Thanks to Mr Byrne for the picture.

Miss Offler writes:-

U13 Girls Football North and Mid Sussex Area Tournament

On Thursday 26th January, Sackville's U13 Football Team went to **The Weald** to try and hold their title for the second year running. Their first game started exceptionally well with Lucy Plumb and Rhianna Major picking the spaces well to give each other opportunities to have shots on goal. Rhianna managed to place one of these chances into the back of the net and just a couple of minutes later, Lucy scored from a penalty which results in the final score being **Sackville 2 - Warden Park B 0**.

The second game against **Warden Park A** started off with Hannah Plumb being tested. Millie Knowles and Kaycei Champion did well to feed the ball away from goal. Lucy took her two chances to finish the game on a **Sackville win of 2-0**.

Our third game against **The Weald** saw a very tightly fought game with both teams having shots on target and being denied by both keepers. Rhianna found her chance late into the game, managing to put Sackville 1-0 up. With key clearances from Eloise and Kaycei, Sackville managed to hold onto this lead until the end of the game.

The fourth game against **St Pauls** was another tight game with the ball going from end to end in the first few minutes. Once Sackville had settled into the game, they distributed the ball around well to move up the pitch, allowing Lucy to score, making the final score **Sackville 1 - St Pauls 0**.

With one more game to go, the girls' enthusiasm was high, despite the weather being bitterly cold! The girls did well starting off against **Holy Trinity**, with Lucy managing to find the back of the net in the first couple of minutes. The girls worked well as a team to have the majority of the possession for the game. Millie set up Rhianna and a final last minute goal from Lucy made the final score **Sackville 3 - Holy Trinity 0**.

Congratulations to the girls involved who not only **won the tournament and retained their title**, but **didn't concede a goal throughout it!**

The team: Lucy Plumb, Eloise Bassett, Hannah Plumb, Ella Devine, Kaycei Champion, Rhianna Major, Millie Knowles, Issy Carrick.

U13 Netball League Week 2

A busy week saw the U13 netball team play three games to play starting off with **The Weald**. Both teams started off well, but The Weald had the edge. Despite working the ball down the court well, Lucy Plumb and Freya Healiss were denied several opportunities, with the ball narrowly missing the hoop. The final whistle saw a **Sackville loss of 0-4**.

Our second game against **Tanbridge House** saw a much better performance, with Sackville settling into the game nicely. Some great defending by Eloise Bassett and Rachel Canepa-Anson kept the Tanbridge House attackers at bay for the first half. Anika Raymond, Lucy and Freya used the second half to work well together to set up goal scoring opportunities which they took advantage of making the final score a **Sackville win 5-3**.

Our third and final game of this week was against **Warden Park**. Sackville maintained their high paced play with Millie Knowles and Ellen Green working very well together in the centre of the court. Both teams worked hard until the end of the game. Despite their efforts, Warden Park wore us down making the final result **Sackville 5 - Warden Park 10**.

The team: Lucy Plumb, Freya Healiss, Ellen Green, Issy Carrick, Hannah Plumb, Rachel Canepa-Anson, Eloise Bassett, Anika Raymond, Millie Knowles.

U13 Netball League Week 3

Another busy week for the U13 netball team with their league games. The first game against **St Pauls** saw Sackville struggle to focus. In the first half of the game St Pauls took advantage with some quick play down the court scoring 6 goals. Freya Healiss and Lucy Plumb had some opportunities to score, but St Pauls' defence managed to jump higher for the rebounds. The second half saw a better performance by Sackville, with more concentration from all players and stronger defending from Eloise Bassett, Rachel Canepa-Anson and Hannah Plumb. Lucy and Freya again had more chances and we were unfortunate not to have scored more. The final whistle score was **Sackville 2 – St Pauls 12**.

The second game against **Burgess Hill Academy** saw a much better performance by the team. Georgie Coughlan and Anika Raymond worked well together to move the ball up the court, allowing plenty of chances to shoot. Freya and Lucy took their opportunities to shoot and worked well in and around the D, using Ellen Green and Anika to position themselves very well. The final result of their game was **Sackville 5 – Burgess Hill Academy 1**.

The third and final game of the week against **Christ's Hospital** was another very good game. The girls were driving into the spaces and working well as a team. The girls' high paced play didn't give Christ Hospital many chances to intercept or to have shots on target. The final result of their game was **Sackville 5 – Christ Hospital 0**.

The team: Lucy Plumb, Freya Healiss, Ellen Green, Issy Carrick, Hannah Plumb, Rachel Canepa-Anson, Eloise Bassett, Anika Raymond, Georgie Coughlan.

U14 Girls Quarter Final vs Durrington

Sackville's U14 Girls Football team had their Quarter Final Cup match against Durrington on Monday 6th February. Eager to progress through to the next round, the team were excited to try and perform well in this game.

The first half saw an uneasy start from Sackville. Durrington took advantage of some gaps in our defence, scoring 2 goals in the first five minutes. Once Sackville had settled back into the game, the girls' passing and attacking movements became stronger, with Lucy Plumb scoring Sackville's first goal. Encouraged by this first goal, Ella Devine, Millie Knowles and Rhianna Major worked hard to try and keep the ball in Durrington's half. A great through ball from Ella allowed Rhianna to make a run down the line before making the cross into the box where Lucy was waiting to score her second goal. Despite having more chances on goal in the first half, Durrington's goalkeeper managed to keep our efforts out, resulting in the half time score as Sackville 2 – Durrington 5.

The team kept their positive attitude leading into the second half, knowing that they had won previous matches having been down at half time. The girls started the second half off a lot more settled, with some good passes being made. Hannah Plumb was tested in goal a few times but managed to keep Durrington's efforts at bay until one of their shorts hit the top corner, out of reach for any player to get to. Two minutes later Rhianna replied with an excellent shot, finding the back of Durrington's net. Again, despite having several shots on target, Sackville were unable to get past Durrington's keeper. Whilst Eloise Bassett, Amber Davies and Ellie-Mae Taylor were working hard to keep the ball out of our box, Durrington's strikers found their way through to secure a further three goals. In the final 5 minutes of the game Poppy Nicholls scored an excellent goal and the team found a new lease of energy but unfortunately, it was just too late in the game. The final result of the game was **Sackville 4 – Durrington 8**.

Well done to all of the girls who have taken part in all of the cup matches. You have done extremely well to get through the Quarter finals and the hard work, teamwork and sportsmanship that you have demonstrated throughout all of your games has been fantastic. We look forward to next year's cup where we can hopefully progress even further.

The team: Hannah Plumb, Lucy Plumb, Poppy Nicholls, Ellie-Mae Taylor, Ella Devine, Issy Carrick, Millie Knowles, Rhianna Major, Charlotte Radley, Kaycei Champion, Eloise Bassett, Amber Davies, Leah Bush, Rachel Canepa-Anson.

U16 EOS Netball Tournament

Mrs Richards writes:-

The U16 Netball team had their final tournament on Thursday 9th February at Imberhorne against 6 other schools. They started superbly beating St Pauls 8-7; they then went on to turn around a 5-2 loss at half time to an 11-6 win against Downlands. They lost by just 2 goals to the eventual winners Warden Park and then drew with Burgess Hill and Imberhorne to finish off the tournament. The event was very tight and came down to goal difference for 2nd and 3rd spot with Sackville emerging as the runners up thanks to their huge goal difference. There was some excellent shooting from Vicki and Leanne, who doesn't normally play goal shoot but was superb and rightfully received player of the tournament. The defence was solid with Millie and Holly along with some fast paced centre court play from Hannah S, Emmie, Megan and Hannah T. A fantastic way to finish the season with their best finish

to date, well done girls.

The team: Leanne Reeves, Vicki Baxter, Millie Rymer-Gough, Hannah Sands, Hannah Taylor, Megan Warrenner, Holly Burgess, Emmie Van-Lieshout.

The flying Crowthers

Jordi and Heidi Crowther continue to power to trampolining success. They both finished in silver medal position in the Southern Zonal Schools competition in Taunton on Sunday 5th February. They qualified for the National Final in Newcastle on the 18th March.

This is the first time Jordi has made the National Finals. She competed in the Under 19's Intermediate grade and pulled out two confident and stylish routines having waited until 5pm to bounce. Heidi also delivered two terrific routines to secure her place in the National Final.

Well done girls!

Anxiety in Children with Social Communication Difficulties workshop

For Parent/Carers of children with
Social Communication Difficulties
(including Autism Spectrum
Condition)

West Sussex Autism and Social Communication Team

This workshop will enable participants to develop their understanding of strategies to support children with anxiety and to work with them to develop their own strategies to self-regulate.

Wednesday 26th April 2017
9:30 – 10:30

Hosted by West Hoathly CE Primary School

To book your place please email:

smannion@westhoathlyschool.co.uk

(places are limited and will be allocated on first come, first served basis)

BOOK SWAP

Give a Book. Take a Book.

Finished with your old books? Bring them along to the LRC Book Swap.

Step One: Bring in your used/unwanted books from home.

All book donations can be dropped off at the LRC From Monday 27th February leading up to the event which starts on Thursday 2nd March.

Step Two: Give to LRC staff.

Anyone planning to attend the book swap who would like to donate beforehand will receive a swap voucher to bring back the day of the event.

Step Three: From **Thursday 2nd March** select a “new” book.

The Book Swap will last until Friday 10th March so keep bringing books in to swap!

Note...THIS DOES NOT INCLUDE LRC/LIBRARY BOOKS.

Learn to Salsa!

The fun, sociable way for ladies & gents

to learn to dance & keep fit

FREE Taster Session

Sackville School

Thursday 9th March

(7.30pm - 8.30pm)

four-week beginner course in Cuban-style salsa from Thursday, 16th March

Please pre-book your place, as spaces are strictly limited.
